NO. OF ENCLS.

- 1. On 1 July 1950 the Air Force Command of the Northeast Military Area formed an air transport wing which was placed under the command of the Ground Service Department of the Changchun Air Base Command. This wing is composed of two groups, each with three squadrons; each squadron is composed of three flights; and two or three transports are assigned to each flight. Besides the pilots, six persons, selected from trainees of the Northeast Military and Political College, are assigned to each plane. On 14 July the air transport wing was equipped with 43 transports of which 34 were Soviet IL-12's, and 4 were C-46's and C-47's.
- 2. This air transport wing has operated over morea four times, air-lifting supplies to Chinese Communist troops fighting there. In December 1950 food items, including sorghum, millet, soya beens and canned food, totaling 70 tons, were dropped over Hsinichou (124-24, 40-06). At the end of December 1950, 42 tons of ammunition were dropped over Yuanshan (元山山)。 In April 1951, 48 tons of 60 mm artillery ammunition, rifle and machine gun ammunition, and food stuffs were dropped over Yuanshan. In September 1951 about 30 tons of explosives, rifles and machine gun ammunition were dropped over Hsinmu (新幕).
